

Public Law 114–276
114th Congress

An Act

To designate the Traverse City VA Community-Based Outpatient Clinic of the Department of Veterans Affairs in Traverse City, Michigan, as the “Colonel Demas T. Crow VA Clinic”.

Dec. 14, 2016
[S. 3492]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

**SECTION 1. DESIGNATION OF COLONEL DEMAS T. CRAW VA CLINIC
IN TRAVERSE CITY, MICHIGAN.**

(a) FINDINGS.—Congress finds the following:

(1) Demas T. Crow was born on April 9, 1900, in Long Lake Township, Michigan.

(2) While residing in Traverse City, Michigan, Demas T. Crow enlisted in the United States Army at Columbus Barracks, Ohio, on April 18, 1918, and trained with the 12th Cavalry at Camp Stanley, Texas.

(3) Colonel Crow achieved the position of senior pilot and was awarded—

(A) the Medal of Honor for action in North Africa;

(B) the World War I Victory Medal;

(C) the World War II Victory Medal;

(D) the European-African-Middle Eastern Campaign Medal;

(E) the Mexican Service Medal;

(F) the American Defense Service Medal;

(G) the Purple Heart;

(H) the Royal Order of George I; and

(I) the Observer Badge.

(4) Colonel Crow’s citation for the Medal of Honor said, “For conspicuous gallantry and intrepidity in action above and beyond the call of duty. On November 8, 1942, near Port Lyautey, French Morocco, Col. Crow volunteered to accompany the leading wave of assault boats to the shore and pass through the enemy lines to locate the French commander with a view to suspending hostilities. This request was first refused as being too dangerous but upon the officer’s insistence that he was qualified to undertake and accomplish the mission he was allowed to go. Encountering heavy fire while in the landing boat and unable to dock in the river because of shell fire from shore batteries, Col. Crow, accompanied by 1 officer and 1 soldier, succeeded in landing on the beach at Mehdiya Plage under constant low-level strafing from 3 enemy planes. Riding in a bantam truck toward French headquarters, progress of the party was hindered by fire from our own naval guns. Nearing Port Lyautey, Col. Crow was instantly killed by a

sustained burst of machinegun fire at pointblank range from a concealed position near the road.”.

(5) Colonel Craw was killed in action on November 8, 1942, while attempting to deliver a message to broker a cease fire with France.

(b) DESIGNATION.—The Traverse City VA Community-Based Outpatient Clinic of the Department of Veterans Affairs in Traverse City, Michigan, shall after the date of the enactment of this Act be known and designated as the “Colonel Demas T. Craw VA Clinic”.

(c) REFERENCE.—Any reference in any law, regulation, map, document, paper, or other record of the United States to the community-based outpatient clinic referred to in subsection (b) shall be considered to be a reference to the Colonel Demas T. Craw VA Clinic.

Approved December 14, 2016.
